Before MELLOY, HEANEY, and SMITH, Circuit Judges.

PER CURIAM.

Ivan Vinson, an inmate confined at the Northeast Correctional Center in Bowling Green, Missouri, brought several claims pursuant to 42 U.S.C. § 1983 against staff members at the prison. The district court granted summary judgment in favor of the defendants, and Vinson appeals. Having carefully reviewed the record, we agree that the district court's grant of summary judgment was proper, and therefore affirm. See 8th Cir. R. 47B.
